I acknowledge that participation in the Outdoor Education Program at Black Rock Retreat involves risk to the Participant (and to Participant’s parents or guardians, if Participant is a minor), and may result in various types of injury including, but not limited to, the following: sickness, bodily injury, death, emotional injury, personal injury, property damage and financial damage.

In consideration for the opportunity to participate in the Outdoor Education Program (the “Activity”), the Participant (or parent/guardian if Participant is a minor) acknowledges and accepts the risks of injury associated with participation in and transportation to and from the Activity. The Participant (or parent/guardian) accepts personal financial responsibility for any injury or other loss sustained during the Activity or during transportation to and from the activity, as well as for any medical treatment rendered to the Participant that is authorized by the Sponsor or its agents, employees, volunteers, or any other representatives (collectively referred to hereinafter as the “Activity Sponsor”).

Further, the Participant (or parent/guardian) releases and promises to indemnify, defend, and hold harmless the Activity Sponsor for any injury arising directly or indirectly out of the described Activity or transportation to and from the Activity, whether such injury arises out of the negligence of the Activity Sponsor, the Participant, or otherwise.

If the Participant (or parent/guardian) and the Activity Sponsor cannot agree upon such a process, the dispute will be submitted to a three-member arbitration panel for resolution pursuant to the rules of the American Arbitration Association.

Dietary Allergies  (Due 2 weeks before arrival)

We don’t want any student with a food allergy not to be able to come to camp! For this reason we take our process for communication regarding food allergies seriously.

If your student has a food allergy please click on the link below and fill out the form. Please understand we desire to adjust for health needs that may cause serious health concerns. Preferences may not always be adjusted for.

The information submitted in this form will go directly to our food service department and they will process the information to serve your specific student. This information will be used for food service purposes only.

When your student arrives please have them introduce themselves to the outdoor education staff so that we will know who it is that we are serving.

**Click Here For the Allergy Form**

Parents of students with food allergies are required to fill out the online form (above) and submit it 2 weeks prior to your schools trip. If the form (which has an automatic date stamp) is not received two weeks prior to the start of your groups time at Black Rock Retreat we cannot make meal accommodations and parents will be require to bring their own meals. What to Bring:

Your trip to Black Rock Retreat for Outdoor Education is on its way! We are looking forward to these days with you. The following clothing and equipment list will make your stay at Black Rock more comfortable. Because space is limited, please plan so that your luggage includes only a **sleeping bag** or bedroll and a small suitcase. Please do **not** bring new items of clothing as we will be spending our time outside, sitting on the ground, etc... where they will probably get dirty.

Temperatures may range from the 40's to the 90's. It is good to plan on wearing layers of clothing that can be added or taken off as the temperature changes. **Please label all clothing and other items;** this will avoid confusion and loss. Also, **don't forget your rain gear! We hold classes outdoors, rain or shine!**
