

Black Rock Retreat

GUARANTEED MINIMUM

Your contract includes a *Guaranteed Minimum* on the second page. The *Guaranteed Minimum* is the price of *all contracted lodging rooms + meals* for either two people per Maranatha Retreat Center/Dogwood Motel room, or seven people per cabin.

For Example:

8 Guests for 5 meals at \$63 =
\$504

14 Guests for 5 meals at \$63 =
\$882

4 Rooms for 2 nights at \$298 =
\$1192

2 Cabins for 2 nights at \$344 =
\$688

\$1696 - Guaranteed Minimum

\$1570 - Guaranteed Minimum

You may have as many or as few people in each room that you would like or the room permits. *This is simply the formula that Black Rock Retreat uses to calculate the Guaranteed Minimum for our contracts.*

The Guaranteed Minimum is the minimum financial obligation you are agreeing to when signing the contract. It is the least amount of money you are responsible for.

The Balance of your Guaranteed Minimum (Guaranteed Minimum minus the deposit) is due two weeks prior to your retreat check-in. Following your retreat, your organization will be sent a final invoice with any remaining balance due.

Please be conservative when deciding how many rooms you would like to be contracted for as you will not be able to reduce that number once the contract has been signed.

We encourage a “start low and add as you grow” mentality when booking rooms.
